24. Ernie's

Ernie's has been a North Hollywood staple since 1952, known for its high-quality, authentic Mexican entrees prepared with fresh meats, cheeses, and produce. The restaurant, which was founded as a taco house by Phoenix residents Ernest U. Cruz, is known for its use of cheese melter technology, which guarantees hot plate delivery to each table. Excellent meat and seafood entree options include camarones rancheros, carne asada, Mexican-style bandillera shish kabobs, and halibut filets prepared a la plancha or mojo de ajo. Sizzling fajitas are also served up, along with combo platters featuring favorites like tamales, chile rellenos, taquitos, and enchiladas. Traditional homemade aguas frescas are available to complement all meals, including horchata, Jamaica, and tamarindo.
